

3 July 08
Baghdad, Iraq.

Dear Patrick,

Thank you for your letter
and material of 21 June 08.
These are very exciting
developments and I will
help in every way I can.
Because of my current
job, I am not able
to take a public role
nor make any phone calls.
My BAR license is not active
and will not be again until
I leave government service.

Sue Bell Cobb is a
very fair person. She
will help you if there is
any basis in law to allow

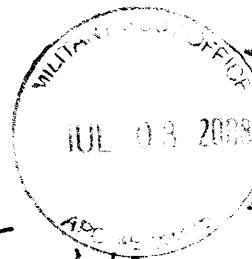

-2-

your request.

Of course, feel free to provide my address to anyone. Sissy posted your letter on the internet and sent my address, email, to many people. Unfortunately, many angry people have written me and accused me of being a bad person for coming to Iraq.

Stay in Touch,
Wilson.
